- Initial and ongoing consultation with the family.
- Coordinating service plans with churches, cemetery, crematory, and/or other parties involved in the final disposition of the deceased.
- Clerical assistance in the completion of various forms associated with the Funeral.
- Securing and recording the death certificate and burial permit.

EMBALMING.....\$ 1,495.00

Except in certain special cases, embalming is not required by law.

Embalming may be necessary and advisable if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right, under certain circumstances, to choose an arrangement that does not require the need for it, such as Direct Cremation or Immediate Burial. For the purposes of a public visitation, taking the condition of the passing and time will determine the need for embalming.

Payment Terms

Payment for all services is due or needs to be secured at the time of arrangements.

Payment can be in the form of cash, check, credit card or insurance assignment from the named beneficiary.

If insurance is to be used, Kaczorowski Funeral Home is partnered with an Insurance Funding Company that will advance the cost of the funeral and outside expenses at a 3% rate. This expense will be added to the insurance assignment.

In the event the insurance proceeds are not enough to cover the total funeral expenses, we are happy to apply existing benefits to the cost of the funeral at the above terms, and we expect the balance of the funeral to be paid prior to any services performed.

On some occasions, certain insurance policies are not assignable, in this event, Kaczorowski Funeral Home offers short term lending options a family can use to “bridge” the time involved in filing the claim and receiving benefits.
